Notes and Conditions

1. Rates may be used as local rates or, per Railroad Accounting Rule 11, as proportional rates.

2. Rates are subject to Fuel Surcharge Tariff 92000.

3. This tariff is subject to the rules and provisions of the NER General Tariff 1000 and the NER 7006 and NER 6006 Charge Catalogs.

4. NECR allows for reverse application of these rates when loads are rejected and returned to origin.
