This document is subject to the terms, conditions and guidelines provided in the Canada Region General Tariff 1000.

The Canada Region General Tariff 1000 Section VI provides guidelines and provisions for switching and other accessorial charges. Please review these provisions as it applies to your business on the SLQ.

Any charges not covered on this SLQ 7006.002 are subject to rules and provisions found in the Canada Region General Tariff 1000 Series Tariff.

Handling of Empty Freight Cars

This provision will not apply when the empty movement is immediately preceded by a loaded revenue movement on SLQ and empty is returned to original interchange or if the empty movement is immediately followed by a loaded revenue movement on SLQ.

This provision applies on all types of rail cars, including, but not limited to, cars provided by railroads, leased cars and cars bearing other than railroad reporting marks, but not including passenger train cars.

The charge for movement of empty cars is $2.00 per mile, subject to a minimum of 150 miles. SLQ will not be responsible for the payment of any per diem or mileage charges, nor will SLQ absorb any switch charges. This rate will apply only to movement of cars in regularly scheduled train service.

If special train service is required for movements other than those listed above, charges contained in the Charge Schedule on page 1 of this Catalog will apply.

Rates are subject to the Canadian Region Fuel Surcharge Tariff 9004 Fuel Surcharge Tariff.

SLQ's maximum liability for loss and damage is $100.00 per railcar.

Dangerous Goods/Hazardous Materials Surcharge:
Carload commodities of Dangerous Goods/Hazardous Materials (STCC 49 or 29 Series) being hauled or switched on the SLQ will be subject to a surcharge of $245 per car in addition to all other applicable charges.

Inspection of Hazardous Material Cars on Railroad Property

When a hazardous material car is held in the yard exceeding five (5) calendar days, the cars must be inspected every forty-eight (48) hours as required by Canadian Law. The customer will be assessed a charge of $40 per car, per inspection. These charges will be assessed on a monthly basis.

Method for Submission of Forwarding Instructions:

SLA will accept forwarding instructions through one of three methods at no charge; ShipperConnect (e-BOL), a Class I web site, or by making arrangements directly with third party logistics services providers to submit forwarding instructions on their behalf via a Class I web site or via EDI. SLQ will accept forwarding instructions to its Customer Service Center via fax (1-207-777-5497) or via email (**slqclerk@gwrr.com),** subject to a $75.00 charge per faxed or emailed bill of lading. This charge will be assessed to the online Customer of record with the railroad.
The SLQ reserves the right to reject as an unreasonable request for service, any "fax" or "email" forwarding instructions that are illegible, whether due to poor transmission quality, poor or illegible handwriting, or otherwise. SLQ will not accept delivery of forwarding instructions by mail, express service, personal delivery, or otherwise.

Method to Release Empty Railcars

SLQ will accept empty release information using ShipperConnect™ at no charge. SLQ will accept empty release information to its Customer Service Center via fax (1-207-777-5497) or via email **(slqclerk@gwrr.com)** subject to a $75.00 charge per faxed or emailed release. This charge will be assessed to the online Customer of record with the railroad.

Date and Time Record of Notification

When electronic or mechanical devices are used to furnish forwarding instructions and/or empty release information to SLQ, the recorded date and time at which the instructions are received by SLQ will govern.
