Extended Asset Use

a Genesee & Wyoming Company

Flexible Asset Utilization...

The effective management of railcars is critical to the success of AGR and our customers. Efficient asset utilization benefits you by increasing the availability of railcars.

Extended use of railway provided assets

When customer is unable to accept a Unit Train for delivery, the entire Unit Train will be constructively placed at the location where it is stopped in transit by AGR. When this constructive placement occurs outside of the on-line customer's facility a charge of **Five Thousand Dollars (\$5,000)** per each twenty four (24) hour period or portion thereof will be assessed to the on-line customer from the time the cars are constructively placed until actual placement at customer's facility. This provision only applies to unit trains of privately owned cars.

Billing Guarantees

As part of our efforts to streamline the billing process, we are committing to an expedited and simple billing process.

Billing On-Time

We commit to bill you on time

We have changed our systems to issue Extended Asset Utilization invoices weekly.

Billing Disputes

We commit to addressing disputed bills quickly

If you believe that there has been a billing error, we want to make it right as quickly as possible. To be eligible for this guarantee, you must submit your claim, in writing, within 30 days of the invoice date to AGR-billing@gwrr.com or Revenue Billing, 13901 Sutton Park Drive South, Ste 185, Jacksonville, FL 32224. Along with a brief description, your claim must include the car initial and number and the related invoice number.

Flexible Car Ordering...

Things don't always go as planned. We recognize that, sometimes, you will have to change your railcar order for loading or unloading. When this involves ordering an empty railcar for loading and actual or constructive placement is performed, and the railcar is then released without being loaded, it is classified as a *railcar ordered but not used*.
