Billing Guarantees

As part of our efforts to streamline the billing process, we are committing to an expedited and simple billing process.

Billing – On-Time

We commit to bill you on time

We will issue Customer Switching and Accessorial Services invoices monthly.

Billing Disputes

We commit to addressing disputed bills quickly

If you believe that there has been a billing error, we want to make it right as quickly as possible.

To be eligible for a review, a claim must be submitted, in writing, within 30 days of the invoice date to:
centralregion_disputes@gwrr.com

Along with a brief description, your claim must include the car initial and number and the related invoice number.

Any claim not filed within thirty (30) days from the date of the invoice will be declined.

Any non-disputed charges should be paid by the due date listed on the respective invoice.

Charges for Cars of Four or More Axles

Charges for intra-plant, intra-terminal or inter-terminal switching will be confined to cars having no more than four axles.

When cars with more than four axles are found in switching service, the charges for such services will be 200% of that shown herein for the same service application on cars with four axles.

Delay of Train

When the train crew or locomotive is delayed or prevented from continuous movement at the carrier's ordinary operating convenience because of interruption, interference, or any other condition caused by customer, the train crew and /or locomotive will be held at the nearest available location and the service completed when conditions permit.

For such delay, a charge of \$25 for each five minutes or fraction thereof in excess on 20 minutes will be assessed to customer. This charge is in addition to any applicable freight or switching charges.

Switching of Locomotives

Locomotives moving on own wheels, but not under own power, when moved from one location to another location within the same switching district, will be assessed a charge of \$400.00. If the locomotive is moved for turning, the charge will be applied in each direction.

Method For Submission Of Forwarding Instructions

AKMD will accept forwarding instructions through one of three methods at no charge; ShipperConnect (e-BOL), a Class I web site, or by making arrangements directly with third party logistics services providers to submit forwarding instructions on their behalf via a Class I web site or via EDI. AKMD will accept forwarding instructions to its Customer Service Center via email (AKMD-cs@gwrr.com), subject to a \$75.00 charge per emailed bill of lading. This charge will be assessed to the online Customer of record with the railroad.

The AKMD reserves the right to reject as an unreasonable request for service, any “email” forwarding instructions that do not contain accurate or complete criteria for proper handling. AKMD will not accept delivery of forwarding instructions by US Mail, fax, express service, personal delivery, or otherwise.

Method to Release Empty Railcars

AKMD will accept empty release information using ShipperConnect™ at no charge. AKMD will accept empty release information to its Customer Service Center via email (AKMD-cs@gwrr.com) subject to a \$75.00 charge per emailed release. This charge will be assessed to the online Customer of record with the railroad.

Date and Time Record on Notification

When electronic or mechanical devices are used to furnish forwarding instructions and/or empty release information to AKMD, the recorded date and time at which the instructions are received by AKMD will govern.
