This document is subject to the terms, conditions and guidelines provided in the Mountain West Region General Tariff 1000.

The Mountain West Region General Tariff 1000 Section VI provides guidelines and provisions for switching and other accessorial charges. Please review these provisions as it applies to your business on the RCPE.

Any charges not covered on this RCPE 7006 are subject to rules and provisions found in the Mountain West Region General Tariff 1000..

Handling of Empty Freight Cars

This provision will not apply when the empty movement is immediately preceded by a loaded revenue movement on RCPE and empty is returned to original interchange or if the empty movement is immediately followed by a loaded revenue movement on RCPE.

This provision applies on all types of rail cars, including, but not limited to, cars provided by railroads, leased cars and cars bearing other than railroad reporting marks, but not including passenger train cars.

The charge for movement of empty cars is **$3.45** per mile with a **$440** per car minimum. RCPE will not be responsible for the payment of any per diem or mileage charges, nor will RCPE absorb any switch charges. This rate will apply only to movement of cars in regularly scheduled train service.

If special train service is required for movements other than those listed above, charges contained in the Charge Schedule on page 1 of this Catalog will apply.

RCPE's maximum liability for loss and damage is $100.00 per railcar.

Billing Changes and Corrections

When RCPE is required to make changes to the billing after shipping instructions are received.
This charge will apply when*:*

- Invalid shipping instructions received
- Requests to change information before movement
- Requests to change information after movement that will not affect the physical handling of the car
- Cancellations before movement

The charge for billing changes and corrections is $75 per car, assessed to the shipper, to the party requesting the change, or to the party requiring the service.

Once the car has been picked up by RCPE, any request that changes the way the car is handled is considered a diversion as per Item 6210.

Method for Submission of Forwarding Instructions

RCPE will accept forwarding instructions through one of three methods at no charge; ShipperConnect (e-BOL), a Class I web site, or by making arrangements directly with third party logistics services providers to submit forwarding instructions on their behalf via a Class I web site or via EDI. RCPE will accept forwarding instructions to its Customer Service Center via fax **(1-904-999-5329)** or via email (**RCPE-cs@gwrr.com**)**,** subject to a $75.00 charge per faxed or emailed bill of lading. This charge will be assessed to the online Customer of record with the railroad.
The RCPE reserves the right to reject as an unreasonable request for service, any "fax" or "email" forwarding instructions that are illegible, whether due to poor transmission quality, poor or illegible handwriting, or otherwise. RCPE will not accept delivery of forwarding instructions by US Mail, express service, personal delivery, or otherwise.

Method to Release Empty Railcars

RCPE will accept empty release information using ShipperConnect™ at no charge. RCPE will accept empty release information to its Customer Service Center via fax **(1-904-999-5329)** or via email **(RCPE-cs@gwrr.com)** subject to a $75.00 charge per faxed or emailed release. This charge will be assessed to the online Customer of record with the railroad.

Date and Time Record on Notification

When electronic or mechanical devices are used to furnish forwarding instructions and/or empty release information to RCPE, the recorded date and time at which the instructions are received by RCPE will govern.
