This document is subject to the terms, conditions and guidelines provided in the Southern Region General Tariff 1000.

The Southern Region General Tariff 1000 Section VI provides guidelines and provisions for switching and other accessorial charges. Please review these provisions as it applies to your business on the VR.

Any charges not covered on this VR 7006 are subject to rules and provisions found in the Southern Region General Tariff 1000 Series Tariff.

Handling of Empty Freight Cars

This provision will not apply when the empty movement is immediately preceded by a loaded revenue movement on VR and empty is returned to original interchange or if the empty movement is immediately followed by a loaded revenue movement on VR.

This provision applies on all types of rail cars, including, but not limited to, cars provided by railroads, leased cars and cars bearing other than railroad reporting marks, but not including passenger train cars.

The charge for movement of empty cars is $300 per car. VR will not be responsible for the payment of any per diem or mileage charges, nor will VR absorb any switch charges. This rate will apply only to movement of cars in regularly scheduled train service.

If special train service is required for movements other than those listed above, charges contained in the Charge Schedule on page 1 of this Catalog will apply.

VR's maximum liability for loss and damage is $100.00 per railcar.

Turning of a Railcar to Permit Loading and Unloading

The charge for turning a railcar will be $300.00. The cars will remain on continuous demurrage transaction beginning with time of initial placement and notification on the VR.

Dimensional Load Charges

Minimum charges of $ 5,000 for a dimensional load. Please consult your Marketing Representative for a rate quote.

See Section VII of the Southern Region General Tariff 1000 for information for moving high/wide or heavy shipments on the VR. All Clearance Requirements must be met before shipment arrives on the VR.

Charges for Stand-By Switching Services

When the VR locomotive and operating crew are held at the request of an industry or shippers agent, or when the locomotive and crew are delayed by an industry or shippers agent within the confines of the industry or immediately adjacent thereto, or is requested by the industry or shippers agent to perform extra switching service before or after regular switching service, the charge for such a stand-by, delay, or extra switch service shall be at the rate of $300.00 for the first hour or fraction thereof with a minimum of 4 hours.

Cars Interchanged in Error

Cars, loaded or empty, received by the VR in error from delivering carrier will be returned to delivering carrier at the charge of $500.00 per car. This charge will be assessed against the delivering carrier and includes empties delivered by connecting carriers that were not ordered for loading.

METHOD FOR SUBMISSION OF FORWARDING INSTRUCTIONS

VR will accept forwarding instructions through one of three methods at no charge; ShipperConnect (e-BOL), a Class I web site, or by making arrangements directly with third party logistics services providers to submit forwarding instructions on their behalf via a Class I web site or via EDI. VR will accept forwarding instructions to its Customer Service Center via fax (1-888-859-4229) or via email (**VR-cs@gwrr.com**), subject to a **$75.00** charge per faxed or emailed bill of lading. This charge will be assessed to the online Customer of record with the railroad.

The VR reserves the right to reject as an unreasonable request for service, any "fax" or "email" forwarding instructions that are illegible, whether due to poor transmission quality, poor or illegible handwriting, or otherwise. VR will not accept delivery of forwarding instructions by US Mail, express service, personal delivery, or otherwise.

METHOD TO RELEASE EMPTY RAILCARS

VR will accept empty release information using ShipperConnect™ at no charge. VR will accept empty release information to its Customer Service Center via fax (1.888-859-4229) or via email (**VR-cs@gwrr.com**) subject to a **$75.00** charge per faxed or emailed release. This charge will be assessed to the online Customer of record with the railroad.

DATE AND TIME RECORD OF NOTIFICATIONS

When electronic or mechanical devices are used to furnish forwarding instructions and/or empty release information to VR , the recorded date and time at which the instructions are received by VR will govern.
