Billing Guarantees

As part of our efforts to streamline the billing process, we are committing to an expedited and simple billing process.

Billing – On-Time

We commit to bill you on time

We will issue Customer Switching and Accessorial Services invoices monthly.

Billing Disputes

We commit to addressing disputed bills quickly

If you believe that there has been a billing error, we want to make it right as quickly as possible.

To be eligible for a review, a claim must be submitted, in writing, within 30 days of the invoice date to:

SouthernDisputes@gwrr.com

Along with a brief description, your claim must include the car initial and number and the related invoice number.

Any claim not filed within thirty (30) days from the date of the invoice will be declined.

Any non-disputed charges should be paid by the due date listed on the respective invoice.

Please contact your local marketing representative if you have any questions concerning your business on the CAGY:

This document is subject to the terms, conditions and guidelines provided in the Southern Region General Tariff 1000.

The Southern Region General Tariff 1000 Section VI provides guidelines and provisions for switching and other accessorial charges. Please review these provisions as it applies to your business on the CAGY.

Any charges not covered on this CAGY 7006 are subject to rules and provisions found in the Southern Region General Tariff 1000 Series.

Handling of Empty Freight Cars

This provision will not apply when the empty movement is immediately preceded by a loaded revenue movement on CAGY and empty is returned to original interchange or if the empty movement is immediately followed by a loaded revenue movement on CAGY.

This provision applies on all types of rail cars, including, but not limited to, cars provided by railroads, leased cars and cars bearing other than railroad reporting marks, but not including passenger train cars.

The charge for movement of empty cars is ^\$400 per car. CAGY will not be responsible for the payment of any per diem or mileage charges, nor will CAGY absorb any switch charges. This rate will apply only to movement of cars in regularly scheduled train service.

If special train service is required for movements other than those listed above, charges contained in the Charge Schedule on page 1 of this Catalog will apply.

CAGY's maximum liability for loss and damage is \$100.00 per railcar.

Special Train Service

Special Train Service charge will be \$100.00 per mile for the distance over the actual route of movement on this railroad subject to a minimum of 35 miles.

Incomplete Bill of Lading Information

When cars have been pulled from the industry or team track and the customer-supplied documentation on , or associated with the Bill of Lading, is insufficient, inaccurate or incomplete to continue or complete service delivery, CAGY will correct the Documentation with the shipper and:

1. The shipper will be assessed an Incomplete Documentation charge of \$500
2. If the car must be stopped awaiting further information or documentation from shipper, the car will be placed in hold status and all applicable demurrage or other ancillary charges such as switching will apply.
3. Cars will not be removed from hold status until the shipper provides CAGY with complete information

Dimensional Load Charges

Minimum charges of \$ 5,000 for a dimensional load. Please consult your Marketing Representative for a rate quote.

See Section VII of the Southern Region General Tariff 1000 for information for moving high/wide or heavy shipments on the CAGY. All Clearance Requirements must be met before shipment arrives on the CAGY.

Charges for Stand-By Switching Services

When the CAGY locomotive and operating crew are held at the request of an industry or shippers agent, or when the locomotive and crew are delayed by an industry or shippers agent within the confines of the industry or immediately adjacent thereto, or is requested by the industry or shippers agent to perform extra switching service before or after regular switching service, the charge for such a stand-by, delay, or extra switch service shall be at the rate of \$300.00 for the first hour or fraction thereof with a minimum of 4 hours.

Re-Spotting Charge

When cars placed by CAGY at industry or team tracks for loading or unloading are released by consignee as loaded or empty prior to being completely loaded or unloaded, and such cars are moved by CAGY from industry or team tracks, they will be subject to a charge of ^\$350.00.

The cars will remain on continuous demurrage transaction beginning with the date and time of initial placement and notification by CAGY.

Cars with Improper Loading or in a Dangerous Manner

When cars are discovered to be loaded in an improper, or dangerous manner, either at origin or beyond the origin switching limits, the transferring or reloading of the shipment will be the responsibility of the shipper, and a switching charge will be assessed of \$300.00 per car, if such service is performed by carrier.

The shipper on the Bill of Lading will be responsible for all charges that accrue in connection with this item, in addition, the shipper will indemnify CAGY from liability for any loss of life, personal injury, or damages to property as a result of the improper loading of equipment.

Reciprocal Switching

1. This section contains reciprocal switching charges applicable at stations on this railroad
2. Reciprocal switching is hereby defined as a switching movement between private or assigned sidings or team tracks named herein and interchange tracks with connecting lines on shipments originating at or destined to points beyond the switching limits of the station at which the switching movement is performed.
3. Industries or assigned siding not provided are closed to reciprocal switching.
4. When firms and industries are referred to by name in this tariff, the switching charges and other provisions will continue to apply although such firms or industries may undergo a change in name or ownership, provided there is no change in location or general character of business engaged in.

A charge of \$325.00 applies between interchanges with connections and industries at GREENWOOD, MS.

This applies to the following customers at GREENWOOD, MS

1. FARMERS GRAIN TERMINAL
2. EXPRESS GRAIN

A charge of \$450 applies between interchange with KCS and Steel Dynamics, ARBELA, MS

Reciprocal switching will only apply on non-competitive traffic moving in line-haul service via KCS where the origin is only served by KCS or another carrier whose only connection is with KCS. Reciprocal switching will only apply on non-competitive traffic moving in line-haul service via KCS where the destination is served by KCS or another carrier whose only connections is with KCS.

Method For Submission Of Forwarding Instructions

CAGY will accept forwarding instructions through one of three methods at no charge; ShipperConnect (e-BOL), a Class I web site, or by making arrangements directly with third party logistics services providers to submit forwarding instructions on their behalf via a Class I web site or via EDI. CAGY will accept forwarding instructions to its Customer Service Center via fax (1-904-999-5306) or via email (CAGY-cs@gwrr.com), subject to a \$75.00 charge per faxed or emailed bill of lading. This charge will be assessed to the online Customer of record with the railroad.

The CAGY reserves the right to reject as an unreasonable request for service, any "fax" or "email" forwarding instructions that are illegible, whether due to poor transmission quality, poor or illegible handwriting, or otherwise. CAGY will not accept delivery of forwarding instructions by US Mail, express service, personal delivery, or otherwise.

Method To Release Empty Railcars

CAGY will accept empty release information using ShipperConnect™ at no charge. CAGY will accept empty release information to its Customer Service Center via fax (1-904-999-5306) or via email (CAGY-cs@gwrr.com) subject to a \$75.00 charge per faxed or emailed release. This charge will be assessed to the online Customer of record with the railroad.

Date And Time Record Of Notifications

When electronic or mechanical devices are used to furnish forwarding instructions and/or empty release information to CAGY, the recorded date and time at which the instructions are received by CAGY will govern.
