

**Carolina Piedmont Railroad (CPDR)** is located in Western South Carolina and interchanges with the CSXT at Laurens. The CPDR moves plastic resins, gas turbines, and wind turbines as major commodities. The CPDR is part of Genesee & Wyoming's (G&W) Rail Link Region Railroads, which are headquartered in Jacksonville, Florida. The region includes 21 short line railroads and serves 10 major U.S. ports.

Through G&W's contract rail services subsidiary, Rail Link, Inc., the region provides contracted railroad switching and related customer logistics services to major industrial customers throughout North America. Rail Link, Inc. offers customers a full range of rail-related services, including railcar switching, track maintenance, locomotive and railcar maintenance, in-plant trailer/container drayage, railcar loading/unloading and railcar tracking and monitoring.
