This document is subject to the terms, conditions and guidelines provided in the Coastal Region General Tariff 1000.

The Coastal Region General Tariff 1000 Section VI provides guidelines and provisions for switching and other accessorial charges. Please review these provisions as it applies to your business on the GC.

Any charges not covered on this GC 7006 are subject to rules and provisions found in the Coastal Region General Tariff 1000 Series Tariff.

Billing Guarantees

As part of our efforts to streamline the billing process, we are committing to an expedited and simple billing process:

Billing – On-Time

We commit to bill you on time

We will issue Customer Switching and Accessorial Services invoices monthly.

Billing Disputes

We commit to addressing disputed bills quickly

If you believe that there has been a billing error, we want to make it right as quickly as possible.

To be eligible for a review, a claim must be submitted, in writing, within 30 days of the invoice date to:

CoastalDisputes@gwrr.com

Along with a brief description, your claim must include the car initial and number and the related invoice number.

Any claim not filed within thirty (30) days from the date of the invoice will be declined.

Any non-disputed charges should be paid by the due date listed on the respective invoice.

Hours of Operation

The normal operating hours of the Georgia Central Railway are 7:00AM to 11:00PM Monday through Friday. Saturday and Sunday operating hours are 7:00AM to 5:00PM.

Handling of Empty Freight Cars

This provision will not apply when the empty movement is immediately preceded by a loaded revenue movement on GC and empty is returned to original interchange or if the empty movement is immediately followed by a loaded revenue movement on GC.

This provision applies on all types of rail cars, including, but not limited to, cars provided by railroads, leased cars and cars bearing other than railroad reporting marks, but not including passenger train cars. The charge for movement of empty cars is \$800 per car. GC will not be responsible for the payment of any per diem or mileage charges, nor will GC absorb any switch charges. This rate will apply only to movement of cars in regularly scheduled train service. If special train service is required for movements other than those listed above, charges contained in the Charge Schedule on page 1 of this Catalog will apply.

GC's maximum liability for loss and damage is \$100 per railcar.

Reciprocal Switching Charges

Reciprocal Switching charge will apply without regard to commodity or weight between the following:

- CSXT at Savannah, GA for Sonoco Recycling - ^\$1,235 per car
- NS at Macon, GA for Ardent Mills and Schnitzer Southeast (Macon Iron) - \$450 per car.

Re-Spot Charge For Release Of Partially Loaded/Unloaded Cars:

When cars are placed by GC at industry or team tracks for loading or unloading and are released by consignee as loaded or empty prior to being completely loaded or unloaded, and such cars are moved by GC from industry or teams tracks, a charge of \$400 will be assessed for the "Re-Spot" at industry or team track to complete the loading or unloading of cars.

The cars will remain on continuous demurrage transaction beginning with the date and time of initial placement and notification by GC.
