

Huron Central Railway (HCRY) is a 170-mile short line freight railroad that interchanges with Canadian National and Canadian Pacific.

Commodities transported include pulp and paper products, forest products, chemicals, petroleum products, and steel, and scrap.

The HCRY was acquired by Genesee & Wyoming in 1997.

HCRY is part of Genesee & Wyoming Canada (GWCI) which is headquartered in Montreal, Quebec. GWCI includes nine short line railroads and three switching operations in four Canadian provinces and three U.S. states. GWCI also provides rail service to six ports in Eastern Canada.
