Billing Guarantees

As part of our efforts to streamline the billing process, we are committing to an expedited and simple billing process.

Billing – On-Time

We commit to bill you on time

We will issue Customer Switching and Accessorial Services invoices monthly.

Billing Disputes

We commit to addressing disputed bills quickly

If you believe that there has been a billing error, we want to make it right as quickly as possible.

To be eligible for a review, a claim must be submitted, in writing, within 30 days of the invoice date to:

MidwestDisputes@gwrr.com

Along with a brief description, your claim must include the car initial and number and the related invoice number.

Any claim not filed within thirty (30) days from the date of the invoice will be declined.

Any non-disputed charges should be paid by the due date listed on the respective invoice.

Please contact your local marketing representative if you have any questions concerning your business on the IMRR

This document is subject to the terms, conditions and guidelines provided in the Midwest Region General Tariff 1000.

The Midwest Region General Tariff 1000 Section VI provides guidelines and provisions for switching and other accessorial charges. Please review these provisions as it applies to your business on the IMRR .

Any charges not covered on this IMRR 7006 are subject to rules and provisions found in the Midwest Region General Tariff 1000.

Handling of Empty Freight Cars

This provision will not apply when the empty movement is immediately preceded by a loaded revenue movement on IMRR and empty is returned to original interchange or if the empty movement is immediately followed by a loaded revenue movement on IMRR .

This provision applies on all types of rail cars, including, but not limited to, cars provided by railroads, leased cars and cars bearing other than railroad reporting marks, but not including passenger train cars.

The charge for movement of empty cars is **\$300** per car. IMRR will not be responsible for the payment of any per diem or mileage charges, nor will IMRR absorb any switch charges. This rate will apply only to movement of cars in regularly scheduled train service.

If special train service is required for movements other than those listed above, charges contained in the Charge Schedule on page 1 of this Catalog will apply.

IMRR 's maximum liability for loss and damage is \$100.00 per railcar.

Cars Intercepted and Returned

When on order of shipper, a car containing freight is switched from an industry or team track but intercepted and returned from an assembling yard, hold track or interchange track, the IMRR charge for switching service in each direction will be \$300 per car.
