EFFECTIVE: November 1, 2019

EXPIRATION: December 31, 2020

COMMODITIES: All TIH-PIH Commodities as defined by AAR Circular No. OT-55 Series

ORIGIN: All Stations served by the IMRR

DESTINATION: All Stations served by the IMRR

ROUTE: IMRR only, Rule 11 Applies

ITEM 1000 – GENERAL RULES:

- A. Any services not covered by the charges in this document are subject to the rules and provisions of the 6006-series Charge Catalogs. This Rate Authority can be cancelled upon 20 days notice. Reverse application applies only on rejected shipments moving back toward original origin via reverse route. Each shipment hereunder shall be tendered to Carriers on a Uniform Straight Bill of Lading. IMRR-T-0900-series must be shown on all bills of lading tendered for shipment. Except when specifically provided herein, rates do not include switching charges at origin or destination. Shipments shall be billed accounting Rule 11.

- B. Upon tender of a car or cars containing TIH-PIH to a rail carrier for delivery to IMRR in interchange for delivery to the receiver or directly to IMRR, the shipper shall give notice of the shipment to IMRR by providing IMRR a copy of the Notice attached as Appendix A hereto. The Notice must be completely filled out and tendered to IMRR by the instructions specified on the bottom of Appendix A. IMRR shall use the Notice to track the car in order to be able to comply with the regulatory requirements once the car or cars arrive for interchange to IMRR. IMRR will notify the recipient of the arrival of the car or cars and the estimated time of delivery.

ITEM 1001 – PROCEDURE ON DELIVERY AND PLACEMENT OF CARS:

Receiver shall be prepared to receive carloads of TIH-PIH commodities immediately upon notification of availability at destination by IMRR. There will no free time granted to receiver once notification takes place. Charges will begin at 12:01AM the morning after notification to the receiver or the first day of deliverable service, whichever occurs first.

If a receiver or receiving location is unable to accept a TIH-PIH commodity carload when it is first tendered after notice and available for delivery, and IMRR must then hold the car(s) in its rail facilities, a charge of \$1,000 per car, per day or portion thereof will be assessed until the car or cars are placed at the billed destination.

ITEM 1003 – PROCEDURE ON UNSAFE OR IMPROPERLY LOADED CARS:

When a car is deemed unsafe based on the criteria below or for failure to comply with 49 CFR 174.3, a penalty of \$10,000 may be assessed to the Shipper:

- A car is overloaded, imbalanced or has a shifted load.
- A car is spilling, leaking, or dusting.
- A car containing TIH-PIH commodities or residue is identified moving on IMRR for which shipping instructions were not regulatory compliant.

ITEM 1005 – PROCEDURE ON ANY MAJOR ADJUSTMENT FOR TIH-PIH CARS:

When IMRR provides any of the following tasks to a TIH-PIH car or cars, a charge equating to actual cost plus 25% (minimum \$1,000) will be assessed to the party requesting or requiring these services:

- A car needs readjusting, reducing, loading, or unloading of a shipment.
- Repair or cleaning equipment, or clean-up of leaked/spilled materials.
- Applying sprays or suppressants to the shipment or contents.
