Handling of Empty Freight Cars

This provision will not apply when the empty movement is immediately preceded by a loaded revenue movement on IORY and empty is returned to original interchange. Provision will also not apply if the empty movement is followed by a revenue loaded movement, provided loaded movement occurs within six months of the previous empty move.

This provision applies on all types of rail cars, including, but not limited to, cars provided by railroads, leased cars and cars bearing other than railroad reporting marks, but not including passenger train cars.

The charge for movement of empty cars is \$2.00 per mile, subject to a minimum of 150 miles. IORY will not be responsible for the payment of any per diem or mileage charges, nor will IORY absorb any switch charges. This rate will apply only to movement of cars in regularly scheduled train service.

If special train service is required for movements other than those listed above, charges contained in the Charge Schedule on page 1 of this Catalog will apply.

IORY's maximum liability for loss and damage is \$100.00 per railcar.

Scale Test Cars Moving on the IORY

When scale test cars move onto the IORY to any industry, a charge of \$500 will be assessed to that industry for this car movement.

Foreign Line Locomotive Usage

When time exceeds 24 hours while customer is loading or unloading a unit train powered by foreign line locomotives, a charge of \$150 per hour or portion thereof will be assessed against the on-line facility. Time is to be computed from the time of placement, either actual or constructive, to the time of release of the last car.

Should the on-line patron request that the foreign line locomotives be removed from the train once it is actually placed, a charge of \$1,400 will be assessed to the customer requesting the removal.

Single Empty Cars for Loading – Combined into Unit Train Service

When a customer requests single empty car(s) not moving in unit train service be spotted to an elevator and is subsequently loaded and shipped out as part of a unit train, a surcharge of \$50 per car will be applied to those cars which did not arrive for loading as part of the unit train consist

Method for Submission of Forwarding Instructions

IORY will accept forwarding instructions through one of three methods at no charge; ShipperConnect (e-BOL), a Class I web site, or by making arrangements directly with third party logistics services providers to submit forwarding instructions on their behalf via a Class I web site or via EDI. IORY will accept forwarding instructions to its Customer Service Center via fax (1-904-394-1709) or via email (IORY-cs@gwrr.com), subject to a \$75.00 charge per faxed or emailed bill of lading. This charge will be assessed to the online Customer of record with the railroad.

The IORY reserves the right to reject as an unreasonable request for service, any "fax" or "email" forwarding instructions that are illegible, whether due to poor transmission quality, poor or illegible handwriting, or otherwise. IORY will not accept delivery of forwarding instructions by US Mail, express service, personal delivery, or otherwise.

Method to Release Empty Railcars

IORY will accept empty release information using ShipperConnect™ at no charge. IORY will accept empty release information to its Customer Service Center via fax (1-904-394-1709) or via email (IORY-cs@gwrr.com) subject to a \$75.00 charge per faxed or emailed release. This charge will be assessed to the online Customer of record with the railroad.

Date and Time Record on Notification

When electronic or mechanical devices are used to furnish forwarding instructions and/or empty release information to IORY, the recorded date and time at which the instructions are received by IORY will govern.

Cars Not Properly Placarded

There is a charge of \$400 to turn a car not properly placarded.
