Customer Switching and Accessorial Services

a Genesee & Wyoming Company

Billing Guarantees

As part of our efforts to streamline the billing process, we are committing to an expedited and simple billing process.

Billing – On-Time

We commit to bill you on time

We will issue Customer Switching and Accessorial Services invoices monthly.

Billing Disputes

We commit to addressing disputed bills quickly

If you believe that there has been a billing error, we want to make it right as quickly as possible.

To be eligible for a review, a claim must be submitted, in writing, within 30 days of the invoice date to:

centralregion_disputes@gwrr.com

Along with a brief description, your claim must include the car initial and number and the related invoice number.

Any claim not filed within thirty (30) days from the date of the invoice will be declined.

Any non-disputed charges should be paid by the due date listed on the respective invoice.

Please contact your local marketing representative if you have any questions concerning your business on the KYLE:

This document is subject to the terms, conditions and guidelines provided in the Central Region General Tariff 1000.

The Central Region General Tariff 1000 Section VI provides guidelines and provisions for switching and other accessorial charges. Please review these provisions as it applies to your business on the KYLE.

Any charges not covered on this KYLE 7006 are subject to rules and provisions found in the Central Region General Tariff 1000 Series.

Reciprocal Switching

There will be additional reciprocal switching charges in addition to any other applicable charges for certain traffic movements on the **KYLE** Railroad.

The charges are as follows:

AT	FOR	CHARGE	NOTES
Concordia, KS	All Commodities	\$250.00 per car	All customers physically served by KYLE
Courtland, KS	All Commodities	\$250.00 per car	All customers physically served by KYLE
NOTE: Arriba, CO is within the switching limits of Limon, CO only on shipments of poles, STCC: 24-911-xx, originating in the states of Oregon or Washington.			

Equipment Mis-Use Charges

If the KYLE sets in to a shipper, for loading, a BNSF controlled or furnished freight car, such loaded car must be routed via a route in which the BNSF participates as a line-haul carrier.

If the KYLE sets in to a shipper, for loading, a UP controlled or furnished freight car, such loaded car must be routed via a route in which the UP participates as a line-haul carrier.

If cars are not routed, per the above, a charge of \$2000 per car will be assessed to the person, firm, or corporation who provided the routing instructions. Such charges will be in addition to any which the BNSF or UP may charge.

Exception: This charge will not be assessed when the person, firm, or corporation which provided the routing instructions has received prior concurrence of the BNSF or UP car management department, respectively, and furnishes same to KYLE, to use such equipment via other than the BNSF or UP, respectively.

If any shipper reloads a KYLE controlled freight car off-line without prior written or verbal consent of KYLE equipment manager (785) 543-6527, a charge of \$2000 per car for each car reloaded off-line without permission will be assessed against that shipper.

Method for Submission of Forwarding Instructions

KYLE will accept forwarding instructions through one of three methods at no charge; ShipperConnect (e-BOL), a Class I web site, or by making arrangements directly with third party logistics services providers to submit forwarding instructions on their behalf via a Class I web site or via EDI. KYLE will accept forwarding instructions to its Customer Service Group via email (KYLE-cs@gwrr.com), subject to a \$75.00 charge per emailed bill of lading. This charge will be assessed to the online Customer of record with the railroad.

The KYLE reserves the right to reject as an unreasonable request for service, any “email” forwarding instructions that do not contain accurate and complete criteria for proper handling. KYLE will not accept delivery of forwarding instructions by US Mail, fax, express service, personal delivery, or otherwise.

Method to Release Empty Railcars

KYLE will accept empty release information using ShipperConnect™ at no charge. KYLE will accept empty release information to its Customer Service Group via email (KYLE-cs@gwrr.com) subject to a \$75.00 charge per emailed release. This charge will be assessed to the online Customer of record with the railroad.

Date and Time Record on Notification

When electronic or mechanical devices are used to furnish forwarding instructions and/or empty release information to KYLE, the recorded date and time at which the instructions are received by KYLE will govern.

KYLE Diversion Charges Parameters

When a customer requests an outbound grain car to be diverted while still within origin yard switching limits, no diversion charges will be assessed. If the car to be diverted has already been pulled from the yard limits a diversion charge may be assessed on a case-by-case basis.
