The Central Region General Tariff 1000 Section VI provides guidelines and provisions for switching and other accessorial charges. Please review these provisions as it applies to your business on the LRWN.

Any charges not covered on this LRWN 7006 are subject to rules and provisions found in the Central Region General Tariff 1000.

Handling of Empty Freight Cars

This provision will not apply when the empty movement is immediately preceded by a loaded revenue movement on LRWN and empty is returned to original interchange or if the empty movement is immediately followed by a loaded revenue movement on LRWN.

This provision applies on all types of rail cars, including, but not limited to, cars provided by railroads, leased cars and cars bearing other than railroad reporting marks, but not including passenger train cars. The charge for movement of empty cars is \$500 per car. LRWN will not be responsible for the payment of any per diem or mileage charges, nor will LRWN absorb any switch charges. This rate will apply only to movement of cars in regularly scheduled train service.

If special train service is required for movements other than those listed above, charges contained in the Charge Schedule on page 1 of this Catalog will apply.

LRWN's maximum liability for loss and damage is \$100.00 per railcar.

Equipment Mis-Use Charges

If any shipper reloads a LRWN controlled freight car off-line without prior written or verbal consent of the Manager, Marketing & Sales, telephone number: (501) 844-4444 Ext. 205, a charge of \$2000 per car for each car reloaded off-line without permission will be assessed against that shipper.

Method For Submission of Forwarding Instructions

LRWN will accept forwarding instructions through one of three methods at no charge; ShipperConnect (e-BOL), a Class I web site, or by making arrangements directly with third party logistics services providers to submit forwarding instructions on their behalf via a Class I web site or via EDI. LRWN will accept forwarding instructions to its Customer Service Center via email (LRWN-cs@gwrr.com), subject to a \$75.00 charge per emailed bill of lading. This charge will be assessed to the online Customer of record with the railroad.

The LRWN reserves the right to reject as an unreasonable request for service, any “email” forwarding instructions that do not contain accurate and complete criteria for proper handling.

LRWN will not accept delivery of forwarding instructions by US Mail, fax, express service, personal delivery, or otherwise.

Method to Release Empty Railcars

LRWN will accept empty release information using ShipperConnect™ at no charge. LRWN will accept empty release information to its Customer Service Group via email (LRWN-cs@gwrr.com), subject to a \$75.00 charge per emailed release. This charge will be assessed to the online Customer of record with the railroad.

Date and Time Record of Notifications
