Billing Guarantees

As part of our efforts to streamline the billing process, we are committing to an expedited and simple billing process.

Billing – On-Time

We commit to bill you on time

We will issue Customer Switching and Accessorial Services invoices monthly.

Billing Disputes

We commit to addressing disputed bills quickly

If you believe that there has been a billing error, we want to make it right as quickly as possible.

To be eligible for a review, a claim must be submitted, in writing, within 30 days of the invoice date to:

SouthernDisputes@gwrr.com

Along with a brief description, your claim must include the car initial and number and the related invoice number.

Any claim not filed within thirty (30) days from the date of the invoice will be declined.

Any non-disputed charges should be paid by the due date listed on the respective invoice.

Please contact your local marketing representative if you have any questions concerning your business on the MNBR:

This document is subject to the terms, conditions and guidelines provided in the Southern Region General Tariff 1000.

The Southern Region General Tariff 1000 Section VI provides guidelines and provisions for switching and other accessorial charges. Please review these provisions as it applies to your business on the MNBR.

Any charges not covered on this MNBR 7006 are subject to rules and provisions found in the Southern Region General Tariff 1000 Series.

Handling of Empty Freight Cars

This provision will not apply when the empty movement is immediately preceded by a loaded revenue movement on MNBR and empty is returned to original interchange or if the empty movement is immediately followed by a loaded revenue movement on MNBR.

This provision applies on all types of rail cars, including, but not limited to, cars provided by railroads, leased cars and cars bearing other than railroad reporting marks, but not including passenger train cars.

MNBR will move revenue empty cars moving on their own wheels from MNBR at Linden to CSXT at Montgomery, and back, for a charge of \$425. MNBR will move empty cars moving on own wheels for a charge of ^\$400.00 per car. This charge will only apply where no loaded movement was handled or will be handled by MNBR on the immediate, preceding or succeeding movement.

MNBR will not be responsible for the payment of any per diem or mileage charges, nor will MNBR absorb any switch charges. This rate will apply only to movement of cars in regularly scheduled train service.

If special train service is required for movements other than those listed above, charges contained in the Charge Schedule on page 1 of this Catalog will apply.

MNBR's maximum liability for loss and damage is \$100.00 per railcar.

Absorption of Switching Charges

The MNBR will absorb switching charges of connecting lines as follows:

- \$173.00 at Meridian, MS connecting with KCS
- \$173.00 at Meridian, MS connecting with NS
- \$250.00 at Selma, AL connecting with NS

Dimensional Load Charges

Minimum charges of \$ 5,000 for a dimensional load. Please consult your Marketing Representative for a rate quote.

See Section VII of the General Tariff 1000 for information for moving high/wide or heavy shipments on the MNBR. All Clearance Requirements must be met before shipment arrives on the MNBR.

Charges for Stand-By Switching Services

When the MNBR locomotive and operating crew are held at the request of an industry or shippers agent, or when the locomotive and crew are delayed by an industry or shippers agent within the confines of the industry or immediately adjacent thereto, or is requested by the industry or shippers agent to perform extra switching service before or after regular switching service, the charge for such a stand-by, delay, or extra switch service shall be at the rate of \$300.00 for the first hour or fraction thereof with a minimum of 4 hours.

CSXT Cars Loaded and Shipped Via Route other than MNBR / CSXT

If a CSXT owned or controlled car is placed by MNBR at a customer's location for loading and said customer loads the car and ships it via a route other than MNBR / CSXT, that customer will be charged \$350.00 per car by MNBR.

PIH and TIH Loaded Traffic

Locomotive Movement on the MNBR

Any locomotive moving on the MNBR from point to point will be assessed \$1500 in freight line haul charges. This rate is subject to MNBR fuel surcharge. Liability for these locomotives is limited to \$2500.00.

Special Train Service

The MNBR will charge **\$100.00** per train mile, minimum **50** miles, for all movements requiring special train handling. This includes any car(s) which require handling other than normal train service. Charges will be in addition to all other charges associated with the movement.

Weight Restriction

The weight restriction for the MNBR is 268,000 lbs., maximum gross weight on rail.

Re-Spotting Charge

When cars placed by MNBR at industry or team tracks for loading or unloading are released by consignee as loaded or empty prior to being completely loaded or unloaded, and such cars are moved by MNBR from industry or team tracks, they will be subject to a charge of ^\$350.00.

The cars will remain on continuous demurrage transaction beginning with the date and time of initial placement and notification by MNBR.

Method For Submission Of Forwarding Instructions

MNBR will accept forwarding instructions through one of three methods at no charge; ShipperConnect (e-BOL), a Class I web site, or by making arrangements directly with third party logistics services providers to submit forwarding instructions on their behalf via a Class I web site or via EDI. MNBR will accept forwarding instructions to its Customer Service Center via fax (904-999-5326) or via email (MNBR-cs@gwrr.com), subject to a \$75.00 charge per faxed or emailed bill of lading. This charge will be assessed to the online Customer of record with the railroad.

The MNBR reserves the right to reject as an unreasonable request for service, any "fax" or "email" forwarding instructions that are illegible, whether due to poor transmission quality, poor or illegible handwriting, or otherwise. MNBR will not accept delivery of forwarding instructions by US Mail, express service, personal delivery, or otherwise.

Method To Release Empty Railcars

MNBR will accept empty release information using ShipperConnect™ at no charge. MNBR will accept empty release information to its Customer Service Center via fax (904-999-5326) or via email (MNBR-cs@gwrr.com) subject to a \$75.00 charge per faxed or emailed release. This charge will be assessed to the online Customer of record with the railroad.

Date And Time Record Of Notifications

When electronic or mechanical devices are used to furnish forwarding instructions and/or empty release information to MNBR, the recorded date and time at which the instructions are received by MNBR will govern.
