

Ottawa Valley Railway (OVR) operates over 150 miles of track between Sudbury, Ontario and Temiscaming, Quebec. It interchanges with the CP at Sudbury and ONTC, and CNR in North Bay.

OVR moves approximately 8,000 cars per year with commodities including forest products and chemicals.

OVR is part of Genesee & Wyoming Canada (GWCI) which is headquartered in Montreal, Quebec. GWCI includes nine short line railroads and three switching operations in four Canadian provinces and three U.S. states. GWCI also provides rail service to six ports in Eastern Canada.
