

# What is most important to the citizens of Grays Harbor County?

- A. Secure, good-paying jobs
- B. A growing economic future for our children
- C. Protecting the environment and the safety of our community
- D. All of the above**

**You spoke up. We listened.**

Not long ago, we asked the citizens of Grays Harbor County about the most important issues facing our region. The response wasn't surprising. You want secure, well-paying jobs. You hope for a growing economic future for your children. And you think it's important to protect both our environment and our community.

Puget Sound & Pacific is here to help the county realize new opportunities. We're committed to creating jobs and stimulating new economic growth. And we'll continue to provide the safest and most fuel-efficient form of ground freight transportation for our region.

**BRINGING THE FUTURE TO GRAYS HARBOR.  
JOBS. INVESTMENT. INDUSTRY.**
