This document is subject to the terms, conditions and guidelines provided in the Midwest Region General Tariff 1000.

The Midwest Region General Tariff 1000 Section VI provides guidelines and provisions for switching and other accessorial charges. Please review these provisions as it applies to your business on the TR .

Any charges not covered on this TR 7006 are subject to rules and provisions found in the Midwest Region General Tariff 1000.

Hours of Operation:
Sunday thru Saturday
5:00AM – 3:00PM

Handling of Empty Freight Cars

This provision will not apply when the empty movement is immediately preceded by a loaded revenue movement on TR and empty is returned to original interchange or if the empty movement is immediately followed by a loaded revenue movement on TR .

This provision applies on all types of rail cars, including, but not limited to, cars provided by railroads, leased cars and cars bearing other than railroad reporting marks, but not including passenger train cars.

The charge for movement of empty cars is \$200.00 per car. TR will not be responsible for the payment of any per diem or mileage charges, nor will TR absorb any switch charges. This rate will apply only to movement of cars in regularly scheduled train service.

If special train service is required for movements other than those listed above, charges contained in the Charge Schedule on page 1 of this Catalog will apply.

TR 's maximum liability for loss and damage is \$100.00 per railcar.

Stand-By Switching Service

When the TR locomotive and operating crew are held at the request of any industry or shippers agent, or when the locomotive and crew are delayed by an industry or shippers agent within the confines of the Industry or immediately adjacent thereto or is requested by the industry or shippers agent to perform extra switching service before or after regular switching service, the charge for such a standby delay or extra switch service shall be at the rate of \$350 for the first hour or fraction thereof. All charges in excess of one (1) hour shall be on a quarter hour basis at \$75 per quarter hour or fraction thereof. Such charges shall be in addition to other published charges, if any, applicable to cars delayed or handled.

Local Service –Inter-Terminal Switching

The term Inter-terminal switching means a movement from one industry facility to another industry or facility on tracks serviced only by the TR Railway.

The term “track” as used herein includes private sidings, assigned sidings, team tracks and all other tracks at which the public, either individually or collectively, is authorized and/or permitted to load and/or unload freight to or from railroad freight equipment.

Customer Switching and Accessorial Services

^Foreign Line Locomotive Usage

When time exceeds 15 hours while customer is loading or unloading a unit train powered by foreign line locomotives, a charge of \$150 per hour or portion thereof will be assessed against the on-line facility. Time is to be computed from the time of placement, either actual or constructive, to the time of release of the last car.

Should the on-line patron request that the foreign line locomotives be removed from the train once it is actually placed, a charge of \$2,500 will be assessed to the customer requesting the removal.

Cars Returned to Home Shop or with No Disposition Instructions

When private empty cars are being returned to home shop or TR marked cars are returning to the TR with no disposition instructions, a charge of \$200 per car will be assessed.

Over-Dimensional and/or Heavy Loads

Rates for any one or more of the following conditions must be on an individual shipment basis arranged with TR prior to shipment from or arrival to TR:

- Car having a capacity exceeding 263,000 lbs gross weight
- Clearance/Dimensional shipments with heights exceeding 15', width exceeding 11'6" or weight restrictions on any single piece exceeding 75,000 lbs.
- All cars of AAR Car Types FA,FC,FCA,FD,FMS,FW,LF,LG and LS.

Method for Submission of Forwarding Instructions

TR will accept forwarding instructions through one of three methods at no charge; ShipperConnect (e-BOL), a Class I web site, or by making arrangements directly with third party logistics services providers to submit forwarding instructions on their behalf via a Class I web site or via EDI. TR will accept forwarding instructions to its Customer Service Group via fax (1-855-634-5097) or via email (TR-cs@gwrr.com), subject to a \$75.00 charge per faxed or emailed bill of lading. This charge will be assessed to the online Customer of record with the railroad.

The TR reserves the right to reject as an unreasonable request for service, any "fax" or "email" forwarding instructions that are illegible, whether due to poor transmission quality, poor or illegible handwriting, or otherwise. TR will not accept delivery of forwarding instructions by US Mail, express service, personal delivery, or otherwise.

Method to Release Empty Railcars

TR will accept empty release information using ShipperConnect™ at no charge. TR will accept empty release information to its Customer Service Group via fax (855-634-5097) or via email (TR-cs@gwrr.com) subject to a \$75.00 charge per faxed or emailed release. This charge will be assessed to the online Customer of record with the railroad.
