

## Comment ajouter un nom de contact d'urgence Hazmat (et CCN) à un modèle (Pattern) dans EBOL:

1. **ADMINISTRATION > EDIT PATTERN** > ensuite appuyez sur **EDIT** à côté du modèle (Pattern) qui doit être mis à jour
2. Appuyez sur **HAZMAT**
3. Ajoutez les informations de votre contact d'urgence ici, ensuite appuyez sur **OK**

The screenshot shows the Wabtec Electronic Bill of Lading interface. The top navigation bar includes 'Main Menu', 'Create BOL', 'View BOLs', 'EDI Data', and 'Administration'. The 'Administration' dropdown menu is open, and 'Edit Pattern' is highlighted. Below the menu, the text 'Shipper AG55HAPPAPPIN' is visible.

Pattern ID	Edit	Rename	Origin	Destination	Consignee	STCC	Send to Road	STCC Description	TMC
AAHAZMAT-TTSAMPLE	<a href="#">Edit</a>	<a href="#">Rename</a>	JACKSONVILLE, FL	WARSAW, IN	COPIER PAPER INC	4860133	AG55	WASTE ENVIRONMENTALLY HAZ ARDOUS SUBSTANCE, SOLID,	R <input type="checkbox"/>

The screenshot shows the 'USA Base Page' form in the Wabtec Electronic Bill of Lading system. The 'Hazmat' option is selected in the left-hand menu. The 'Emergency Contact' section is highlighted, showing the 'Contact Name' field with the value 'CHEMTREC CCN 11111' and the 'Contact Telephone' field with the value '800-424-9300'. The 'OK' button is also highlighted.
